**Consignment fee Rates:**

- 25%** On any item that sells in our Shop or at one of our Antiques Barn Sales
- 35%** On any item that sells on Ebay (includes all fees, shipping, etc.)

Please tell us your '**Goal price**' and your '**Bottom Line**' (**BL**). The BL is the lowest price you will accept for your item. If you don't have a Goal price or BL, we will suggest them based on our experience selling antiques. If we think your BL is too high or if the item is not appropriate for our shop or online sales, *Old Road Antiques* may not accept the item for sale.

**30/60/90 Timeline:** (does not apply to items consigned for Ebay)

*The timeline listed below is for your and our protection. Please contact us if your needs require an exception. We want to be flexible, but also to avoid misunderstandings. Staying aware of your item's progress through our shop is the best policy overall.*

- **After 30 days**, any unsold item may be reduced in price by 20%, regardless of the stated Bottom Line. If your item is here during one of our Sales, it may likewise be reduced in price by 20%, unless you request that it not be part of the sale.
- **After 60 days**, any unsold or un-reclaimed items may be removed from display.
- **After 90 days**, un-reclaimed items may be taken to a local auction house. For this service, we charge 20% of sale price. The auctioneer will take 20-30% of sale price. No reserves.

**Other policies:**

- We will pay our consignors by check after the 60 day period has expired, or earlier if you come in person to collect.
- All property consigned to *Old Road Antiques* should be insured against loss by the Consignor.
